Artist's Name _____ Address _____

Email _____ Art Title _____

Short description of your work:

Graphic Art Deadline: January 25, 2023

Submissions may be delivered to John Mujica's office; building 19, room 218A. They may be picked up after Feb. 28, 2023.

Digital submissions, or questions, may be sent via email to john.mujica@sfcc.spokane.edu. Include your name, etc. in the email message and attach the image files. The mail system will block files that have been archived in ZIP format. (You can send a zip file if you rename it as a .zip)

Guidelines for physical works

When submitting artwork and photographic prints please protect your work with a sleeve, cover sheet, or other material.

Charcoal, pastel, pencil, and other fragile pieces, please use a fixative possible.

It is preferred artwork be removed from glass covered frames to allow scanning or copying. Fine Arts students: contact your instructors to arrange for photography of your works.

Guidelines for digital photos, scanned art, computer-generated art, etc.

Raster images (digital photos, Photoshop images, etc.) must contain enough pixels to reproduce in print. Your file should contain a minimum of 2200 pixels on its long dimension. Check the image size for the pixel count. This is not the same as DPI or PPI.

File formats

PSD, TIFF, PDF, or EPS are preferred. High quality JPEG images are acceptable.

Vector images from Adobe Illustrator, Corel Draw, etc. must be in EPS, AI, or PDF formats.
